

The 70th Intel International Science and Engineering Fair **12-17 May 2019, Phoenix, Arizona, USA**

List of projects selected to represent Hong Kong in the 70th Intel ISEF

Project No.	Title of Project
Intel2019_002	First report of the invasive land planarian <i>Platydemus manokwari</i> (Platyhelminthes, Geoplanidae) in Hong Kong, China
Intel2019_013	Reusable Lactase Hydrogel for Lactose Intolerants
Intel2019_014	A Breakthrough Body-powered Prosthesis Hand
Intel2019_017	iWheel - a motorized assisting device for wheelchair
Intel2019_018	Effectiveness between Gray Code algorithm and Gros sequence algorithm
Intel2019_022	Direct Soft-Template Synthesis of Ordered Mesoporous Carbon on Substrates as Effective Counter Electrodes for Dye-Sensitized Solar Cells
